Residential Meter Tap Fee; \$1,400.00 per meter plus additional cost for boring, when required, and any exceptional cost incurred in installing the Tap.

Customer Service Inspection Fee; \$150.00 (Connection must be inspected by a licensed inspector.)

Service Deposit; \$100.00 (Refundable when service is discontinued)

RECONNECTION/CONNECTION FEE

A reconnect/connection fee will be charged before service can be restored to a customer who has been disconnected for any reason;

- a) Disconnection Fee..... \$65.00
- b) Reconnection Fee.....\$65.00
- c) Nonpayment of bill..... \$65.00
- d) Customer request..... \$65.00
- e) Transfer Fee..... \$25.00

Delinquent Fee; \$15.00 (Charged if bill is not paid by due date)

Check Return Fee; \$30.00 (This fee will be charged if a check is returned NSF)

Meter Test Fee; \$100.00 (This fee may be charged if a customer requests a second meter test within a two-year period and the test indicates the meter is recording accurately.

* **Backflow Prevention;** All water connections shall be designed to ensure against back-flow or siphonage into the District’s water system. The customer shall, at the customers expense, properly install, test, and maintain any backflow prevention device required by the Water System. All testing and maintenance records shall be provided to the District.

* **One Meter Per Residence Requirement;** One meter is required for each residential, commercial or industrial service connection to comply with 30TAC§291.89(a)(4). This requirement is strictly enforced. Failure to follow this requirement may result in service disconnection.
